Node.js, Express.js, JavaScript, Handlebars, CSS.

Implemented an Ajax model and API calls with Axios to make the platform dynamic.

Conceived a platform to help people discover new video games and organize their personal games library in 4 days.

### A day in a cat's life

FRONT-END DEVELOPER (BOOTCAMP) — 2021 — GITHUB 

HTML, CSS, JavaScript

Built 2 games centered around a cat's daily activities in 4 days.

## FROM 2013 TO 2020, I'VE HELD THE FOLLOWING POSITIONS

Working as a psychologist taught me to navigate environments where my skillset was not always well understood. It made me grow strong interpersonal skills and an ability to coordinate people with diverse profiles around a specific problem or need.

### Psychologist in kindergartens

BABILOU, PARIS — APRIL 2018 TO JULY 2020

### Clinical psychology intern / volunteer

FOYER POST-CURE, AURORE ASSOCIATION — MILITARY HOSPITAL PERCY — CENTRE MÉDICO PSYCHO PÉDAGOGIQUE — SAMU SOCIAL INTERNATIONAL — ENDAT ASSOCIATION
